1. Child Safety & Wellbeing Policy

Purpose

This policy outlines how the business protects children and young people (under 18 years) in alignment with Queensland's Child Safe Organisations Act 2024 (Qld), the 10 Child Safe Standards, and the Universal Principle of Cultural Safety.

Scope

This policy applies to all services provided to learners under 18 years, and to their parents or guardians.

Commitment

We maintain a zero-tolerance approach to child harm and are committed to embedding child safety in our governance, culture, and everyday practice. We will uphold the cultural safety of Aboriginal and Torres Strait Islander children and families.

Responsibilities

As a sole trader, the Owner is responsible for implementing and reviewing this policy, maintaining a valid Blue Card, engaging families, managing risks, ensuring safe communication, and recording incidents and complaints. While acknowledging our ultimate responsibility, we use the administration services provided by 2Wards Driving Pty Ltd to assist us in managing this policy.

Legislative context

Queensland's Child Safe Standards become mandatory in phases from 1 October 2025 through 2026. The Reportable Conduct Scheme commences 1 July 2026. This policy will be reviewed whenever laws change or following incidents.

Standards mapping

Our procedures and templates operationalise all 10 Child Safe Standards: leadership & culture; child participation; family engagement; equity & inclusion; suitability; child-centred complaints; training; safe environments; continuous improvement; and supporting policies.

Communication

This policy will be published on www.CoastwideDriving.com.au, referenced in booking confirmations, and available to parents/guardians on request.

2. Code of Conduct

This Code sets behavioural expectations for the Instructor when engaging with children and young people.

- Treat all learners with respect and dignity; use child-appropriate language.
- Avoid any unnecessary physical contact.
- Keep lesson content and conversation professional and relevant to driving.
- Do not meet in private residences; begin and finish lessons in agreed public locations unless a parent/guardian approves otherwise.
- Maintain vehicle visibility (windows unobstructed); avoid secluded areas unless required for training and communicated in advance.
- Use approved communication channels; include a parent/guardian on communications with learners under 18.
- Never transport a learner outside scheduled lesson scope without prior consent.
- Never consume alcohol or drugs before or during lessons; adhere to road laws at all times.
- Respond promptly and respectfully to any safety concern raised by a learner.
- Report and record incidents and complaints immediately; cooperate with authorities as required.

3. Child-Centred Complaints Procedure

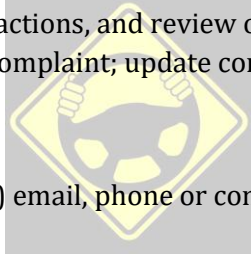

Principles

- Accessible: children and families can complain by dedicated (private) email, phone or complaint form.
- Child-Centred: we prioritise the child's safety, wishes and best interests.
- Safe: no victimisation; confidentiality is protected.
- Timely: acknowledge within 2 business days; resolve or update within 10 business days.

Process

1. Receive: accept complaints via any channel.
2. Acknowledge: confirm receipt and outline next steps.
3. Assess risk: take immediate safety actions if required.
4. Investigate: gather facts, listen to the child and parent/guardian.
5. Outcome: provide findings, actions, and review options.
6. Record & improve: log the complaint; update controls and policies as needed.

Contact options: dedicated (private) email, phone or complaint form.

4. Complaint Form (Parent or Guardian)

External Lodgement Options

If you have serious concerns relating to the physical or sexual abuse of a child - contact Policelink on 131 444 (Child Sexual Abuse is a serious matter that can be inflicted physically, verbally or emotionally).

Context

Driving instruction involves 1:1 time in a vehicle, variable routes, and communications with minors.

Key Risks & Controls

- **Risk:** 1:1 in vehicle

Controls: Offer parent/guardian ride-along; consider fitting interior-view dashcam with voice recording ; maintain visibility; planned routes in public areas

- **Risk:** Remote/isolated locations

Controls: Avoid unless necessary and pre-agreed; share live location with parent/guardian when appropriate

- **Risk:** Communication with minors

Controls: Copy parent/guardian on messages; use business channels; keep records

- **Risk:** Misconduct allegations

Controls: Follow Code of Conduct; record lessons; prompt complaints handling; insurance

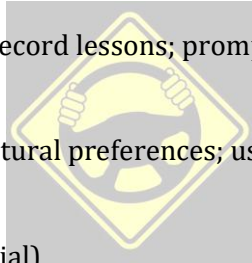

- **Risk:** Cultural safety

Controls: Ask and accommodate cultural preferences; use inclusive language; allow support persons

- **Risk:** Online safety (bookings/social)

Controls: Moderate social content; no private DMs; remove identifying images without consent

Review: Annual or following any incident or legal change.

7. Parent/Guardian Information

Welcome

We are committed to safe, respectful and culturally inclusive driving lessons for young people. This sheet explains how we keep your child safe and how you can raise concerns.

Key Information

- Blue Card: Current and available for inspection at each lesson.
- Industry Authority Card: Current and available for inspection at each lesson.
- Vehicle safety: serviced regularly; interior visibility maintained; dashcam in use (where fitted and approved for use).
- Lesson settings: planned routes; option for you to attend lessons; clear start/finish locations.

Communication

We can include a parent/guardian on lesson confirmations and changes for learners under 18. To ensure you are copied in all communications, ensure your own email is included as the parent / guardian on the student profile.

How to raise a concern

We use an independent 3rd party process through 2Wards Driving Pty Ltd to assist with our compliance and reporting management. We encourage you to use this dedicated, private reporting process to immediately raise any Child Safety concerns. This will be sent directly to the 2Wards Driving management team for immediate follow up, independent from the Driving Instructor.
