

# Give way rules summary

Road users must stop or give way as necessary at stop signs, give way signs and traffic signals.

## If you are turning, give way to vehicles not turning.

Note: if you are leaving the path of a marked centre line, you are deemed to be turning and must give way to vehicles that are following the centre line.

## If you are turning right, give way to all vehicles coming towards you including those turning left.

Note: this applies if both vehicles are facing no signs or signals, or the same signs or signals.

## At a T-intersection or driveway, traffic on a terminating road or driveway (bottom of the T) must give way to all traffic on a continuing road (top of the T).

## In all other situations, give way to all vehicles coming from your right.

For example, at a crossroad controlled by traffic signals, when the signals have failed and all approaches have flashing yellow lights.
